

A20 Liquid Handler

Boost Efficiency and Profits with Automation

 See our products in action!

Complete Drug Testing Solution

When you choose to automate with the Xpeedy A20, you'll enjoy a range of benefits including

-  **Improved Data Quality**
-  **High Consistency and Reliability**
-  **Increased Efficiency and Productivity**
-  **Reduced Total Costs**

Automated Sample Prep for Triple Quadrupole LC/MS/MS Analysis

Dimension: 112.6cm (L) x 77.5cm (W) x 80cm (H)
Weight: 176kg

Dual-Arm: 2-Channel Capper/Decapper
and 2-Tip Dispenser

360-degree barcode scanning

Robotic liquid handling from sample tube
to fully prepared plate ready for
downstream testing

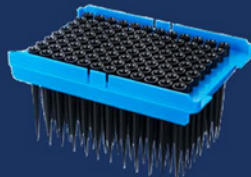

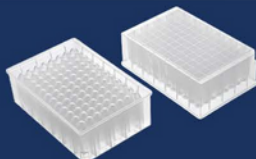

Customizable for seamless integration

A complete workflow solution including
instrument, consumables, software, and
application support
